Subject:	RE: Drug Packet

Hi Jane,

The lab # you requested ▇▇▇▇▇▇ was Marijuana. A GC/MS is not required for Marijuana, which is usually where the majority of the paper comes from. Lab policy for testing marijuana is to get a positive macroscopic, microscopic and Duquenois Levine test. Those results are recorded on the laboratory control card.

Kate –

There are only 3 pages in your PDF file. Aren't the packets usually much thicker?

Thanks-
Jane
